

For the 2026–2027 year, members' dues will be based on the 2027 outdoor MIAA dual meet fee of **\$106**.

For members who have completed the three-year Background Check cycle, you will now be entering a new three-year cycle. This means you will need to complete a new **Background Check (\$35)** and **MIAA Eligibility Registration (\$10)**, for a total of **\$45**. (Please be sure to select all three seasons: cross country, indoor track and outdoor track.) In this case, your CMTFOA dues will be **\$61**, bringing your overall total to **\$106**.

For members who completed the Background Check in **2024–2025** or **2025–2026**, your dues will be **\$106**. Any time after July 1st, you will also need to pay the **\$10 MIAA Eligibility Registration Fee**.

Please remember, our dues cycle follows the school fiscal year of **July 1st through June 30th**.

To verify which year of the three-year Background Check cycle you are currently in, please log in to your Arbiter account, then click the hyperlink with **Your Name (Official)** at the top right and select **MIAA State Office – Central Hub**. Once on that page, choose the **Eligibility** tab in the middle of the page. This will bring you to your Eligibility Center.

If you intend to officiate next year, please pay your **2026–2027 dues to Charlie Butterfield by August 20th**. You must also complete the MIAA eligibility registration process and review the Concussion protocol at:

<https://nfhslearn.com/courses/61064/concussion-in-sports>

As a reminder, it is your professional obligation to review the Concussion protocol annually, print the certificate upon successful completion, and have it with you in case you are asked to present it at any site you work.
